FREDERICKTOWN POINSETTIA SALE TO BENEFIT LOCAL RESIDENTS

The annual Fredericktown Holiday Poinsettia Sale will take place again this year as a part of the Fredericktown Community Christmas Walk. This sale is one of the many activities of the Walk that benefit Food For The Hungry. Poinsettias will be available in red or marble with red, green, or gold foil and in 4", 6", and 8" sizes. Prices are \$5, \$10, and \$15 respectively.

The number of individuals and families needing assistance from Interchurch and the Salvation Army is on the rise. This poinsettia sale will help to meet those needs. All proceeds will be split between the two agencies and will stay in the Fredericktown area.

"The difference in buying a poinsettia from the Christmas Walk is that you are giving a gift to those in need. It is an easy way to help others this holiday season while making a purchase that you might have made anyway. Plus, we found out last year these are some of the most beautiful poinsettias we have ever seen at great prices." states Christmas Walk Chairman, Paul Linhares.

Give someone a wonderful gift and help those in need at the same time. Pre-orders may be placed by calling the Village Office at 740-694-9010 or by picking up forms anytime at Fredericktown Chevrolet, Grubbs Tru Value Hardware, Farmer's Citizen Bank, or the First-Knox National Bank. Pick up is available anytime at Grubbs Tru Value hardware or on the day of the Walk between noon-5 p.m. in the former coffee shop at the corner of College and Main Street.

"We encourage everyone to consider this simple purchase by taking a moment to call and order a poinsettia" stated Linhares. "It is essential that we raise every bit of money we can this year when so many of our friends and neighbors need our help."
